Take a walk.... On the Wild Side

On the Wildside has been an Aggieville tradition since 1990. Located at 1128 Moro St, this mother/daughter owned shop will bring out anyone's inner hippie. At On the Wildside you will be greeted with friendly service, and a variety of unique products. Items ranging from tapestries, posters, wind chimes, candles and disc golf supplies. Don't forget to check out the 21 and over Tobacco shop nestled in the back of the store. Express yourself with their selection of funky clothes, band t-shirts and jewelry. Bring in the new year with some cleansing incense, sage or crystals.
